

# Printing & Copy Instructions

We have provided digital copies of our recovery publications and videos on our website. The information is copyrighted and all rights reserved. However, you are hereby given permission to print and make copies of these documents for yourself, your group, or members of your church on a non-profit basis. Please give Recovery in Christ Ministries credit when using these materials.

These resources are designed to support your personal recovery and to assist you in facilitating Christ-centered support group meetings.

If printing budgets are tight, you may find it helpful to copy individual pages from the recovery workbook *Reaching Out to a Hurting World* for group discussion or one-on-one sponsoring. This is especially helpful in prison ministry settings.

When printing the entire workbook for group members, please maintain the print quality and overall look. Local print shops are often much more affordable than big-box stores. Because the new Expanded Version workbook is larger than the original, printing and placing it in a 3-ring binder may be the most economical option.

If you prefer to use the Original Workbook (available on our website), many quick-print machines can automatically place two staples on the left side for binding. Interior pages can be printed double-sided to reduce cost. For a more professional look, a print shop can use 11x17 tabloid paper, print double-sided, fold, and staple in the middle (saddle stitch binding) to create a booklet. They usually cost under \$5 each.

We also offer many additional downloads to support your group and ministry. We highly recommend the *Christ-Centered Traditions and Leadership Guide* to round out your program. You will also find handouts, Group Readings (which you can print and laminate), and a certificate for institutional ministry.

Use of our logo and ministry name is permissible when listing your meeting in a church bulletin or on a church website. We ask that you agree not to alter or change the content or original intent of Recovery in Christ's outreach to the 12-Step community. Christ-centered recovery must remain available to all. If you would like your meeting listed on our website, simply provide the requested information on our contact form.

However, for social media platforms (Facebook, etc.), we request that you do not use our name or logo. Instead, we invite you to Like our page and join our group discussion, where you can stay connected with your members, list your meetings, and share updates and encouragement.

May our dear Lord Jesus richly bless you in your recovery and in your efforts to help others. Please email if you have any questions.

In Him,

*Tommy Tieche*
